RE: Police Corruption, Human Experimentation, Electronic Harassment, Organized Gang Stalking groups and biological terrorism

Dear President Obama, U.S. Attorney General Eric Holder, Chief Mark Kappelhoff of the Civil Rights Criminal Division and Executive Director Anthony Romero of the American Civil Liberties Union (ACLU),

I am writing you this affidavit to inform you that upon filing a complaint against the Fayetteville Police Department (FPD), I was placed in a human experimentation program. And, as a result of entering this program, I was forced out of my home.

It all started on October 15, 2007 at 9:47 PM when two officers approached me. They were officer's W. Jarquin 338 and officer's C. McCoy 392. I was asked to present my identification. I refused.

I told the officers that they had no motive to stop me. But they proceeded to search my property without my permission. At the time, I was walking to the Amtrak station.

Note: Prior to making this complaint, I was stopped over twelve times without probable cause.

After the altercation with the FPD, I proceeded towards the precinct, which was a block away. There I spoke to officer N. Hernandez 240. I told her that I wanted to file a complaint against the officers who stopped me just 30 minutes earlier. She told me there was no process of filing a complaint and that she could not do anything on my behalf.

This prompted me to write an email to the police commissioner, mayor and City council members. Since then, I have not received a response.

After this occurrence, while working at the Amtrak station, my computer was hacked. And knew immediately that it was related to the email I sent earlier. I also noticed frequent dropped calls and wrong numbers from individuals within the same area code.

Several months of this harassment, I later realized that I was placed into a human experimentation program. Furthermore, I understood that the program is connected to organized gang stalking.

You can read more about organized gang stalking by visiting the link below:

Organized Gang Stalking involves the use of multiple individuals to stalk, harass, and taunt a victim, as well as vandalize personal property.

Link 2: <http://www.urbandictionary.com/define.php?term=gang+stalking>

Organized Gang Stalking groups have it history with extremist groups such as the Ku Klux Klan (KKK). A thorough investigation of its origins can be found by visiting the link below:

Before I was forced out of my home, I was a regular member of the Restoration Outreach Fellowship Church, Pastored by Les Matthews. During this period, I notice drastic changes being made to the church. Overtime, it became pretty obvious that there was a connection between the human experimentation program I was placed in and the money he was receiving for these renovations.

But this could not have been possible if the (FPD) wasn't involved. And the torturous, malicious nature of this human experimentation program seems to suggest that it is an act of vengeance.

I'm monitored 24 hours a day - seven days a week. The monitoring involves my body, physical surroundings, vital signs, electronic communications and thought processes. It is complicated through the use of dream manipulation and brain-memory gathering.

I have compounded a list of links and U.S. patents as proof that the technology exist. But first, let me give you an idea how it works. Neurological technologies use electromagnetic spectrums to affect human behavior.

The human body is an electrochemical system: anything that disturbs the electrical impulses of the nervous system will affect body functions and behavior. More information on this subject can be found at the below link:

Now I'm going to list some of the patents that is involved in the attack on my basic human rights and my GOD given right to be left alone.

Pulsed Energy Projectile:

The torture program I have been criminally put in is similar to the torture program described in the ACLU's most recent release of the United States Department of Justice Torture Memos. Please visit the link below.

To add insult to injury, I'm inflicted by what is known as Directed Energy Weapons (DEW) (please visit link below). A DEW is a type of weapon that emits energy in an aimed direction without the means of a projectile.

Directed Energy Weapon U.S. Patent # 20,070,040,725

Lethal and non-lethal directed-energy portions U.S. Patent # 7,490,538

Although these weapons are classified as being non-lethal, long term exposure to these technologies can cause cancer and other life threatening illnesses. And example of this can be found below:

As horrific as this torture has been, I was recently placed into a bio-terrorism program. In this case, my food and water is poisoned. As a result, I'm inflicted with such symptoms as blurry vision, chest pains, diarrhea and vomiting.

For your information, a bio-terrorism attack is the deliberate release of viruses, bacteria, or other germs (agents) used to cause illness or death in people, animals or plants. Biological agents can be spread through the air, through water, or in food. Please visit the link below:

In short, I'm seeking your assistance in identifying these criminals and to prosecute them to the fullest extent of the law. Moreover, I'm requesting a congressional hearing on this manner and that new systems are created to identify these technologies. And the infiltrations of these organized gang stalking groups are necessary to ensure that no one becomes a victim.

Finally, this Affidavit is presented under the authority of the Constitutional Law, The Bill of Rights, The Declaration of Human Rights, the First Amendment Right of Freedom of Speech, Amendment IX, The Right of Self Defense, The Right to use one's own power to preserve one's own life, The right to earn a living, Amendment IV, The right of the people to be secure in their persons, houses, papers, and effects, Amendment XIV, The Equal Protection Clause, Amendment XIII. Freedom from involuntary servitude etc...and the Freedom to Redress Grievances.

These dreadful torture hate crimes effectuated the below crimes:

**18 USC 1927 THROUGH 18 USC 1967 (RICO) RACKETEERING,
INFLUENCE, CORRUPTION, ORGANIZATION ACT**

18 USC 1960, 1901, 1905, 1911, 1952, 1956, 1957, 1961, 1962, 1963,

1964 (RICO) CIVIL RICO- CONTINUOUS CRIMINAL ENTERPRISE ACT (CCE)

42 USC 1983, 1985, 1986, 1987 CIVIL RIGHTS AND WHISTLEBLOWER CASE LAWS

As the result of the above mentioned torture, hate and civil rights crimes and administrations that have been criminally and maliciously inflicted on me, and the disregard of such, I have endured great torture. I have been damaged financially, socially, and emotionally. Regulation and compensation is required. Thank you.
